

Circular Walks – Brynsiencyn (SH484670)

Please see the map below

1. Brynsiencyn – Area of Woodland (clockwise direction)

Turn right out of the car park and follow the land downhill towards St. Nidan's Church. There is a small tumulus well hidden in a field on the right on the way down. Can you spot it? A little further turn right onto the public footpath across a field. Bear towards the top right-hand corner of the field when approaching the wood and go through the little gate on top of the stone stile. Then walk through the wood, through a cleared area and go over a stile in the wall in the left-hand corner.

2. Area Of Woodland – Tal-Y-Foel Pier

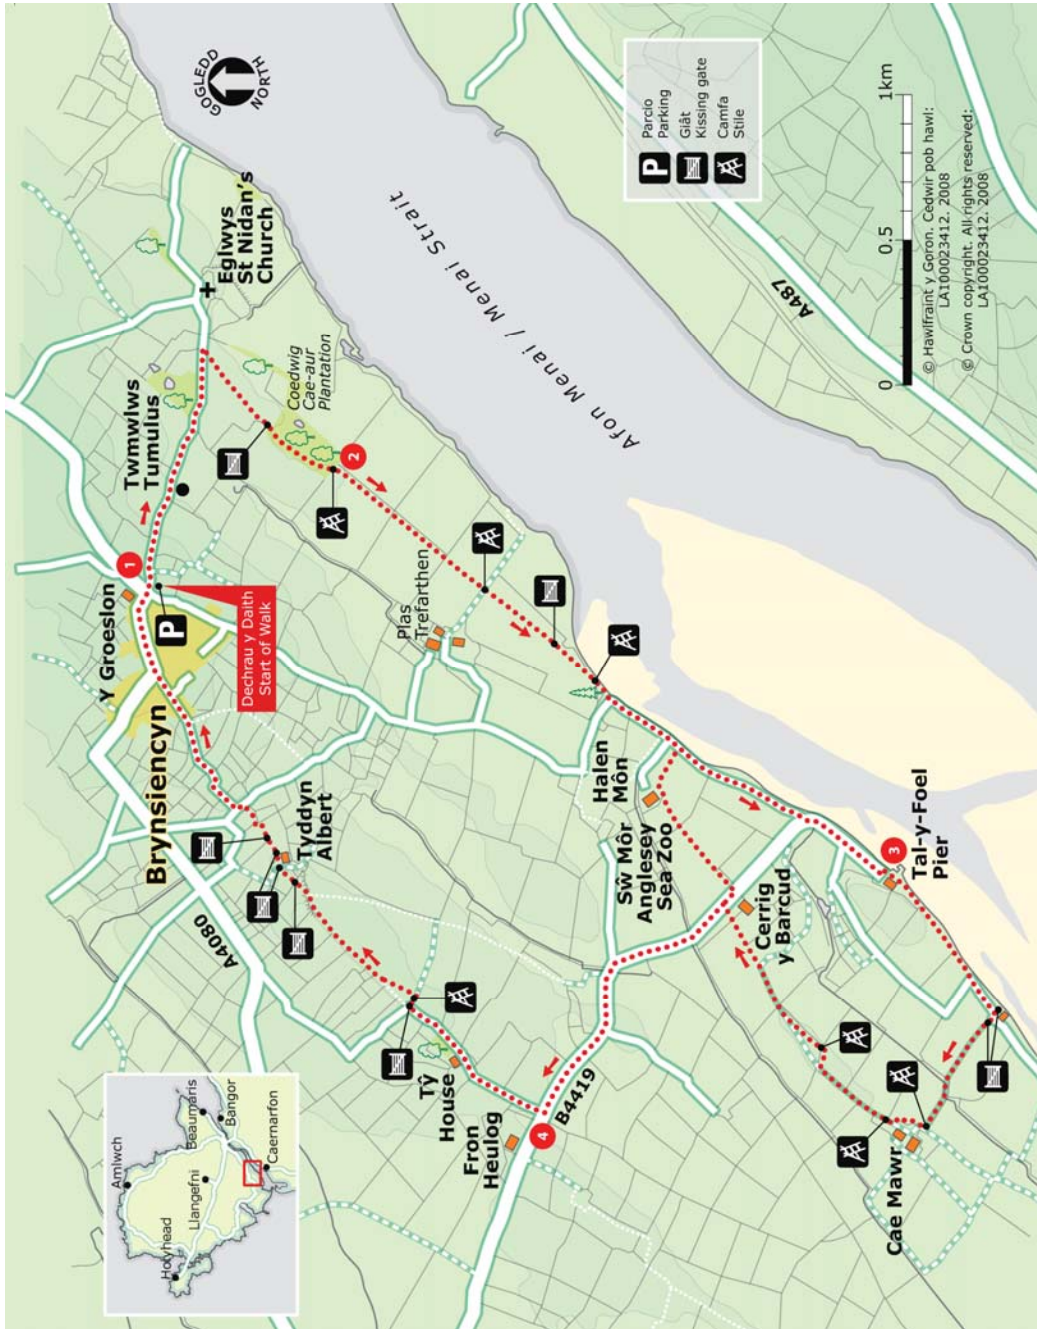

With the wall on your left walk across the next two fields. Then walk next to the fence keeping parallel with the strait on your left. Cross a track, pass through the next field and go through the little gate. Cross the next field then go over a stile by the pine trees on the shore, turn right and you will then join the road, follow it keeping the same line down the strait. You will go past Halen Môn and the Sea Zoo shortly. You may take the public footpath that goes off right here as a short alternative to the walk.

3. Tal-Y-Foel Pier – Cerrig Y Barcud

Keep going past Tal Y Foel pier making your way over the pebbles on the shore. When you are roughly opposite Caernarfon Castle a footpath leads off right next to a cottage on the shoreline. Take this path straight up the next two fields until you come to 'Cae Mawr' farm. Turn right, over the stile at the top of the drive and along the track around the back of the outbuildings and bear right towards a stile. Keeping the hedge on your left, follow it for two fields. Then bear right along the hedge in front of you and go over a stile into the next field with the hedge now on your right. Walk straight across this field into the next large field and follow the visible track down to 'Cerrig y Barcud' and turn left.

4. Cerrig Y Barcud – Brynsiencyn

Just before 'Fron Heulog' farm turn right down another lane. Go down this tree lined lane past a house. At a corner where the road bears left the public footpath goes right, through the gate, then left over a stile into a large field. Follow the hedge on your left to a gate that leads out through a small field down to the farm 'Tyddyn Albert'. Cross the drive through the kissing gate and bear right going around the back of the house. Pass through the kissing gate here, turn left and follow the hedge to the next gate. You will pass through two small fields to come out into a lane. Turn left then almost immediately right. This road leads you into the back of Brynsiencyn. When you join the main road turn right and go through the village and you will find yourself outside the 'Groeslon' pub, opposite the car park where you started.
